DRIVING INFORMATION FOR TRAVEL FROM DUBLIN PORT TO LOUGH DERG YACHT CLUB

DESTINATION : Lough Derg Yacht Club, Dromineer, Co Tipperary. Postcode : E45 NY60

Co-Ordinates [52.926N 8.273W](#)

DISTANCE: 190km

TIME : 2hrs. (longer if keeping to 80km speed limit)

PREFERRED ROUTE: via Dublin Port Tunnel (tolled), M1 , M50, N7/M7, Local.

TOLLS :

DUBLIN PORT TUNNEL

Tolls apply at Dublin Port Tunnel, northbound. Cost is €3 except at PEAK times which are Mon-Fri 16:00 – 1900hrs during which times the toll is €10. Our advice is pay the toll to avoid bad traffic congestion.

Tolls can be paid in cash or CC at the booth.

NOTE - When towing, use the **LEFT lane Booths** as other have a 1.9M height restriction.

M50 SOUTHBOUND

M50 (South) is a Barrier Free Toll between J6-7. You must either register to pay within 24hrs at www.eflow.ie . NOTE – you can pay in advance or within 24hrs of transit.

Use the left hand lanes if your trailer is in excess of 1.9M high.

M7 SOUNTBOUND.

M7 (South) toll. Between J18 and J19. €2.00.

Once again, use the Left-hand lanes as other have a height restriction of 1.9M

FUEL/STOPS

Good news for UK drivers is that the Sterling equivalent fuel price in Ireland works out about 10% cheaper than UK prices.

The 1st available Fuel stop outside Dublin Port is **APPLEGREEN** at Rathcoole (36.1Km). Note- There is a petrol station just before the Apple green, but it does not have as good pull-in facilities or refreshment facilities so wait for the **APPLEGREEN**.

Next Fuel/refreshment stops – **J14** Mayfield, **J17** or **J23** Barrack Obama Plaza.

GOOGLE MAPS

As you get closer to exiting the M7. Ignore your SAT NAV if it tells you to take EXIT 24. Keep going to exit at **J26**. This route will bypass NENAGH town which can be busy at certain times of the day.

DESTINATION. Dromineer village. The road from M7 to Dromineer gets progressively narrower as you approach the lake. Traffic will be very light. The club is a right turn as you enter the village.

The club will issue a map indicating which entrance to use if you have a camper van.

SPEED LIMIT: The National Speed Limit for towing a trailer in Ireland is 80Km/Hr. Trailer extension arms are NOT required in Ireland however a working light board is essential.
