

Ireland's Hidden  
**HEARTLANDS**

**Comhairle Contae Thiobraid Árann**  
Tipperary County Council

The organising committee of the Irish Fireball Association and LDYC are working extremely hard to make the event as social and enjoyable as possible and to provide food and entertainment and activities on site most (but not all!) days. The club does not have its own catering or bar staff, but we have planned for bar service and some food most days at the clubhouse.

Food arrangements are entirely dependent on enough sailors booking their meals IN ADVANCE!!

Note that local dining options are limited and likely to be booked out, so eating off-site will mean driving a bit of a distance to nearby villages and towns.

To make this work for ALL, it is important that participants book and pay for their food & entertainment IN ADVANCE via the LDYC website as we need to advise our various catering companies of numbers.

The prices indicated below are for early-bird bookings only – I.E., those booked via LDYC before **Wed 17<sup>th</sup> August**. Bookings made after this date will be subject to availability and WILL be subject to availability and a higher ticket price.
